# CREATE YOUR ACCOUNT ON OUR COMMUNITY

Lü

You can now create an account in the Lü Community. This will allow you to discover content created by teachers around the world, create your own content and share it with the community!
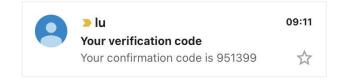

1. Create your account on the **lu-community.com**
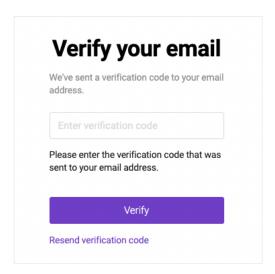

2. Click on "**Create an account**".

3. Enter your personal information.

4. Access your email, to retrieve the code sent by Lü.

5. Enter the code in the field provided.

Verify your email

We've sent a verification code to your email address.

Enter verification code

Please enter the verification code that was sent to your email address.
